066-267-22-85 – Kyrylchuk Kateryna

The application and materials should be sent by e-mail:
konfecology2022@snau.edu.ua

APPLICATION FORM

Surname _____
Name _____
Organization, address _____
Position _____
Scientific degree, academic title _____
I declare my participation in the symposium
1. with a report
2. with a poster (poster message)
3. without speech
4. in absentia (publication of materials)
5. on-line report
Title of the report _____
Section _____
Address for correspondence (with postcode) _____
Phone, e-mail _____

DEAR COLLEAGUES!

The Organizing Committee invites you to take part in the Second International Symposium "Population ecology of plants: current status, growth points", dedicated to the 90th anniversary of **Zlobin Yulian Andriyovych**, Doctor of Biological Sciences, Professor, Honored Worker of Science and Technology of Ukraine. The symposium will take a place on April 4-6, 2022 at Sumy National Agrarian University. Materials of symposium will be published.

Sections:

1. Modern problems of vegetation science
2. Modern scientific problems and achievements of plant population ecology
3. Current issues of phytosociology and the formation of the ecological network
4. Environmental education and upbringing
5. Modern means of environmental protection and ensuring sustainable use of nature
6. Topical issues of ecotourism development

Requirements for materials

To participate in the symposium it is necessary to send completed application form and submit the text of report. In case of several authors, the application form is filled in by all of them, but the file with the text of report is submitted only by the first author. Application form (example of file name – **skliar_zayava.doc**) and text of report (example of file name – **skliar_tekst.doc**) are sent in separate files to the organizing committee e-mail.

Languages of the symposium:

Ukrainian, English

Requirements for materials

The text of the reports and references should be up to six full pages must be typed in Microsoft Word. The title should be written in capital letters, Times New Roman, font - 14 pt, bold, title orientation is centered. Then (across the line) the name and initials of the author (s) (font -14 pt, centered), below - the name of the organization (font -14 pt, centered). The text should be separated by blank line and written on A4 pages in Times New Roman, font - 14 pt, spacing - 1.0. The text should be aligned in width, without page numbering. All margins - 2 cm. Paragraph indentation - 1.25 cm. Tables and figures should be posted in the course of the report. References are given in square brackets, where the number of them in the general list is specified. The list of references (12 pt) is given in citation order and should be separated from the text by the blank line.
