Nationality Ukrainian
 Date of birth 16.05.1972
 Gender Male

Current employment / Occupational field **Professor of the department of Agrotechnologies and Natural Resource Management,
 Doctor of Agricultural Sciences,
 Sumy National Agrarian University**

Work experience **Teaching and scientific activity in the sphere of Agrotechnologies and Natural Resource Management**

Dates 04.1994 till now
 Occupation or position held Assistant of plant-growing department (1994-1999)
 Assistant professor of plant-growing department (2000-2013)
 Professor of Agrotechnologies and Natural Resource Management department (2013 till now)

Main activities and responsibilities Teaching and scientific activity in the sphere of Agrotechnologies and Natural Resource Management.
 Head of research and development works for International company "BAYER" LLC in the direction of "Study of the effectiveness of chemical and biological preparations for the cultivation crops in Leftbank forest-steppe of Ukraine" in the period 2016-2024.

Name and address of employer Sumy National Agrarian University, 160 H. Kondratiyeva Str., Sumy, 40021, Ukraine
 Type of business or sector Higher educational establishment (Agricultural and Natural Resource Management Sector)

Education and training

Dates 09.1989-12.1993

Title of qualification awarded Agronomist scientist
Principal subjects/occupational skills covered Crop production and processing technology
Name and type of organisation providing education and training Sumy Agricultural University (present time - Sumy National Agrarian University), Ukraine
Level in national or international classification Dipl. Ing. (University)

Dates 07.2016-12.2017

Title of qualification awarded Landscape planning and horticulture
Principal subjects/occupational skills covered Landscape planning and horticulture

Name and type of organisation providing education and training Sumy Agricultural University (present time - Sumy National Agrarian University), Ukraine
Level in national or international classification Dipl. Magister. (University)
Level in national or international classification PhD in Agricultural Sciences

Scientific activity

Dates 1995-1998

Title of qualification awarded Candidate of Agricultural Sciences
Principal subjects/occupational skills covered Plant growing and seeds selection
Name and type of organisation providing education and training Sumy National Agrarian University, Ukraine
Level in national or international classification Assistant professor of Agricultural Sciences

Dates 1998-2013

Title of qualification awarded Doctor of Agricultural Sciences
Principal subjects/occupational skills covered **Plant growing and stress resistance of plant**
Name and type of organisation providing education and training Sumy National Agrarian University, Ukraine
Level in national or international classification Professor of Agricultural Sciences

Personal skills and competences

Responsible, sociable, energetic, flexible.

Mother tongue(s) Ukrainian

Other language(s) **English, Russian**

Self-assessment
European level ()*

English

Russian

Social skills and competences	Deputy chairman of the expert group for evaluating the effectiveness of the activities of higher education institutions in terms of their scientific (scientific and technical) activities in the scientific direction "Agrarian sciences and veterinary medicine"" (Order of the Ministry of Education and Culture No. 1111 of 09.07.2020). Member of the expert council of the Ministry of Education and Culture of Ukraine on the certification of scientific personnel of the agro-industrial complex and food (Order of the Ministry of Education and Culture No. 1092 dated 02.12.2022). Member of the editorial board of the scientific journal "Bulletin of the Sumy National Agrarian University. "Agronomy and Biology" series. I have experience of participating in 55 international scientific conferences. Participated in two international projects in the field of landscape planning and agricultural. Held an internship at Nürtingen University, (Germany, 2003). He has completed an internship (training) at the Nürtingen University (Germany, 2007), Henan Institute of Science and Technology (China, 2019), University of Applied Sciences Weihenstephan-Triesdorf (Germany, 2023).
Organisational skills and competences	Organized visits of foreign teachers and students to Ukraine within the framework of program's experiences. Twice performed the development of international projects in the field of natural resource management. Was a co-director of the post-graduate students' project from Germany.
Computer skills and competences	Competent with most Microsoft Office programmes, Statistics and SPSS
Driving licence	Category A (motorbike), B (car)
Additional information:	

The researches in which the advanced study is conducted are of the following direction:
“Determination of optimum terms of realization of biological potential and stress resistance of oil and energy crops.

I have 6 copyright certificates for the plant varieties, and I am the author of 155 scientific papers (18 cited in international scientometric databases WoS and Scopus) published in different editions of Ukraine, Bosnia, Turkey, Jordan, Poland, Romania, Estonia, **Indonesia**.

Professor Andrii Melnyk author of 3 books and 3 monographs, 155 guidelines for students.

Projects Experience:

2004 - IPSOIL I (29312-IC-1-2003-1-AT-ERASMUSIPUC-3)
 2006 - IPSOIL III (29312-IC-1- 2003-1-AT-ERASMUSIPUC-7)
 2005-2007 - Exchange program (University Nürtingen, Germany)
 2008 - Lifelong Learning Program Sub-programs Multilateral Projects, Networks, Accompanying measures (University of Natural Resources and Applied Life Sciences, Austria);
 2016–2019 - Team Leader from SNAU in Project of German-Ukrainian cooperation in the field of organic farming (Federal Ministry of Food and Agriculture of Germany (hereinafter: BMEL) and the Ministry of Agriculture and Food of Ukraine (hereinafter: MAPP) in May 18, 2016 signed a protocol.
 2023 - Staff Mobility Agreement for training - Incoming - KA1072020 (University of Applied Sciences **Weihenstephan-Triesdorf**, Germany (from 01/06/2023 till 28/07/2023).

General experience in scientific and educational work is 30 years.

Professor Andrii Melnyk has prepared 11 PhD (four foreigners from Ghana, Pakistan, Kuwait and China).

For the moment is preparing six graduate students.

Head of research and development works for International company "BAYER" LLC in the direction of "Study of the effectiveness of chemical and biological preparations for the cultivation crops in Leftbank forest-steppe of Ukraine" in the period 2016-2025.
